

Dear Friends,

Greetings from Fr. Arun. Once again thank you for the fund raised and sent to us to help rebuild the houses damaged by the flood in Kerala. I had requested Fr. Kiran, the director of PSSS (the Social Work Wing of IMS Delhi Province. He has had gone to Kerala to Kerala for this specific work and to look for the most needy people. Fr. Kiran, with the help of the Fr. Sanjay, the Superior of our House Alleppey went around many houses and zeroed in on 17 families that we could help. Each family is provided with the help of Rs. 30,000.00 and Rs. 40,000.00 each. The money was not given to the individual but directly transferred into the accounts of shop-keepers for the materials they take. Money is already transferred to accounts of 13 shop-keepers for the materials taken. We have to transfer money for 4 more families and will do it in a couple of days. Once again, thank you very much for all the sacrifices you have all made towards this cause. Please find below some of the houses he visited and whom we have helped:

Please thank on behalf and on behalf of the beneficiaries, all the people who contributed their time and money towards this cause. Once again, thanks and God bless you all!

Fr. Arun John
